A36515-PCT-USA (070013.0200)

REMARKS

Claims 1-17 have been amended in order to remove the multiple dependency as

well as to clarify the claims. Since these amendments effectively and timely removed the

multiple dependencies, it is believed that the \$180 surcharge requirement for multiple dependent

claim requested by the Notification of Missing Requirements dated January 10, 2006 is now

moot.

New additional Claims 18-20 have been added. Supports for these new claims

can be found at 2, 4 and 5 of the English specification.

Please note that a separate response to the pending Notification of Missing

Requirements is concurrently filed.

These amendments do not include any new matter. Prompt consideration of the

amended claims is respectfully requested.

Applicants believe that the fee required at this time has been filed with the

response to the Notification of Missing Requirements. However, the Commissioner is hereby

authorized to charge payment of any unanticipated fee or credit any overpayment to Deposit

Account No. 02-4377. Respectfully submitted,

BAKER BOTTS L.L.P.
